Model: FMC Series Accessories

- **FMC-DIV** Divider Panel
- **FMC-LK** Cam Lock
- **FMC-MP** Door Mounting Plate Kit
- **FMC-RGSHELF** Residential Gateway Shelf

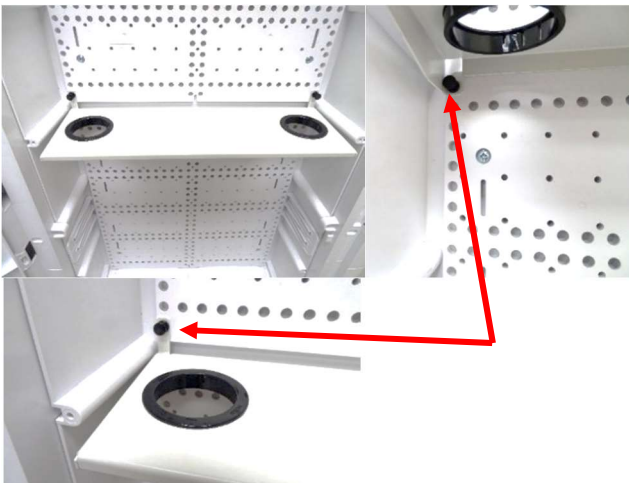

Installation Note

Divider Panel Installation

1. The divider typically straddles two of the back plates of the FMC base units.

2. Install by lining up divider to the appropriate holes in the back plate and secure with 4 push pins.

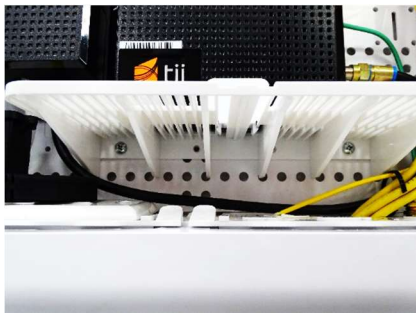

3. To divide door, remove 2 screws from door connector plate.

4. Slide door connector plates up and discard to separate door sections.

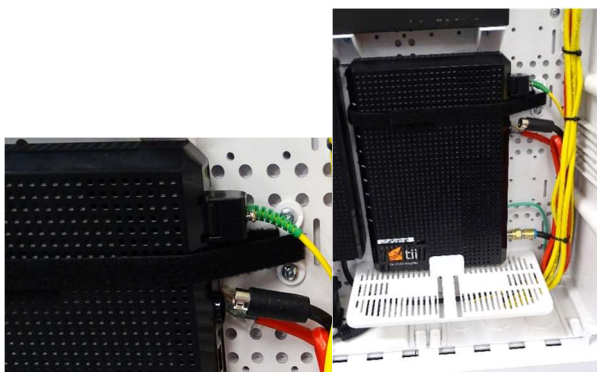

Residential Gateway Shelf Installation

1. Determine where shelf is to be installed and secure to back wall of FMC using provided screws.

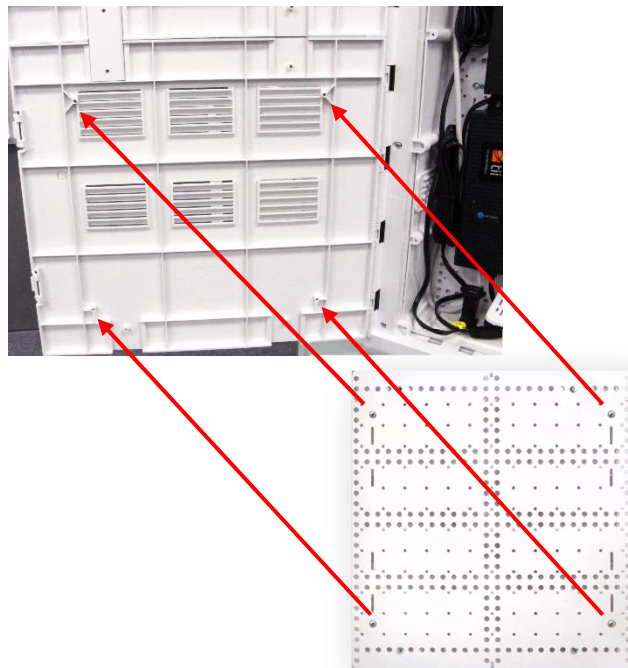

2. Place component on shelf and push slide bracket to snug.

3. Secure component to back wall using Velcro™ and clips.

Door Mounting Plate Kit Installation

1. If it's desired to mount equipment onto the inside front cover of the FMC, use FMC-MP Door Mounting Plate Kit (hardware included)

Cam Lock Installation

1. To secure a section of the FMC, install Cam Lock model # FMC-LK

2. Remove knockout from door by scoring with utility knife. Pry out with screw driver.

3. Install lock in the orientation shown.
